Elemore Hall School

Headteacher: Richard Royle

Dear Parent/Carer

At Elemore Hall we regularly take photographs and videos of pupils undertaking a range of academic and social curriculum activities so that we can have a record of their achievement and experiences, this is necessary so that we have a sound evidence base. This information is held in staff records on individual pupils.

From time to time we like to use photographs and videos of pupils and their work in more publicly accessible areas such as the school's prospectus, on the school's website, on display boards around school and sometimes in newspaper or magazine articles.

We would like your consent to take photographs/videos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

I am happy for photographs/videos of my child to be used on the school website.

I am happy for photographs of my child to be used in the school prospectus.

I am happy for photographs of my child to be used in internal displays.

I am happy for photographs of my child to be used in newspaper articles or similar

I am **NOT** happy for the school to take or use photographs/videos of my child that are for use in publicly accessible locations or formats.

If you change your mind at any time, you can let us know by emailing elemore@durhamlearning.net , calling the school on 0191 372 0275, or just popping in to the school office.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules as from 25th May 2018. To ensure we are meeting the new requirements, we need to re-seeK your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
